

Corona virus is in the news a lot
at the moment.

Mar 11-15:19

It is an illness that people have caught in
lots of different countries,
including Scotland.

Mar 11-15:16

If we touch our faces a lot, we might put germs into our mouth/eyes/nose.

Mar 11-15:16

We can keep ourselves healthy by washing our hands and trying not to touch our faces.
