WSKAZÓWKI DLA RODZICÓW I OPIEKUNÓW JAK KORZYSTAĆ Z DZIECKIEM Z MATERIAŁU AUDIO

Wstęp - Ścieżka 1

Nauczenie się, że dwie lub trzy litery czasem mogą się łączyć i tworzyć jedną głoskę, pomoże Waszemu dziecku w nauce czytania i pisania.

Znajdź ciche miejsce do nauki.

Usiądźcie obok siebie, abyście podczas słuchania nagrania oboje widzieli książkę.

Każdej zbitce samogłosek lub spółgłosek lub dwuznakowi poświęcona jest jedna strona.

Usłyszycie wymawianą zbitkę samogłosek lub spółgłosek lub dwuznak występujący na poszczególnej stronie.

Na każdej stronie znajdują się także rysunki słów zawierających poszczególne głoski.

Posłuchaj danej głoski a następnie wymówcie ją razem z dzieckiem.

Naciśnij pauzę.

Pozwólcie dziecku, aby wodziło palcem po literach zaczynając od kropki a następnie po strzałce. Powtórzcie głoskę oraz nazwy przedmiotów na obrazkach.

Włącz nagranie i posłuchajcie głoski oraz wyrazów jeszcze raz.

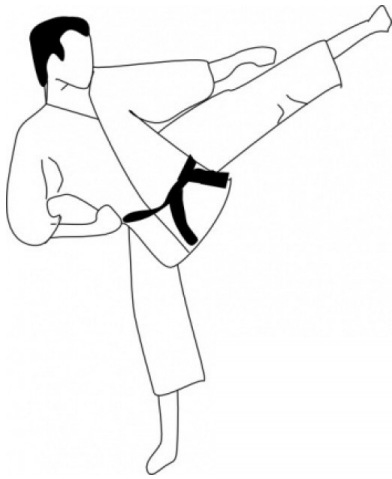

Rozmawianie o obrazkach pomoże dziecku zrozumieć znaczenie słów.

Przeznaczcie na to wystarczającą ilość czasu. Upewnijcie się, że dziecko jest gotowe aby przejść do nauki następnego słowa.

Lepiej jest pracować codziennie po trochę - lub tak często jak jest to możliwe.

Mamy nadzieję, że z przyjemnością będziecie korzystać z dzieckiem z tych materiałów.
