

English as an Additional Language

Consonant and Vowel Digraphs

Arabic

تعليمات لأولياء الأمور والقائمين على رعاية الأطفال حول كيفية استخدام هذا التسجيل الصوتي

مقدمة – التسجيل الأول

إن تعلم أن حرفين أو ثلاثة أحرف يمكن أحياناً أن يكونا صوتاً واحداً سيساعد طفلك في القراءة والكتابة.

أجلس في مكان هادئ لاستخدام هذه الأسطوانة مع طفلك.

أجلس بجانب طفلك بحيث يمكنك على حد السواء النظر إلى الكتاب أثناء الاستماع إلى التسجيل.

ستجد في كل صفحة الحروف التي تكون صوتاً واحداً لكل حرف علة أو حرف ساكن وعندما تنظر في كل صفحة، سوف تسمع نطق الصوت الذي يتكون كتابة من حرفين أو أكثر.

سترى بعض الرسوم التوضيحية للكلمات التي تحتوى على الصوت.

استمع للصوت وردد مع طفلك.

أوقف الأسطوانة في هذه اللحظة.

أجعل طفلك أن يتتبع بأصبعه شكل حروف الكلمة بادئاً بالنقطة ومتبعاً اتجاه السهم. ردد نطق الصوت وأسماء الصور.

شغل الأسطوانة مرة أخرى واستمع للصوت والكلمات مرة ثانية.

إن الحديث عن الصور سيساعد طفلك في فهم معنى الكلمات.

أتح وقتاً كافياً. وتأكد من أن طفلك مستعد للانتقال إلى الكلمة التالية.

من الأفضل أن تقم قليلاً بذلك كل يوم - أو كلما استطعت.

نأمل أن تستمتعا باستخدام هذا التسجيل الصوتي مع بعضكما البعض.
