Castleview Primary School Renewal Plan 2021-2022

What are we going to be up to this year?

Ensure Equity and Inclusion at Castleview

We will:

- Ensure all our learning environments are underpinned by the Nurture Principles.
- Develop an afternoon Language class and specific plans for children involved.
- Continue to have no cost to the school day.

Develop our school community's use of Digital Technologies

We will:

- Elect pupil digital leaders and engage in the national digital award.
- Allocate one to one devices in P6 and P7.
- Upskill our teachers in the use of digital technologies.

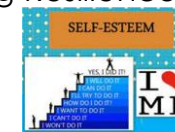

Our Additional Funding

We continue to value the power of people and relationships. We are using our additional funding to employ additional staffing, both teachers and support staff. They will support inclusion, attainment and achievement. It's all about the relationships!

Increase the self esteem of all learners at Castleview

We will:

- Support all children to have a growth mindset – Mistakes are how we learn.
- Have a sharpened focus on developing pupil self esteem.
- Ensure all staff are confident in delivering the Building Resilience Programme.

Please come to one of our regular Friends of Castleview Meetings or arrange to meet with our Headteacher Clare Langley if you want to find out more about our Renewal Plan.
